Will you help us to feed a child at Kisasa Primary School?

Last year **AZAR completed** building and resourcing a Primary **School** in Kisasa, Central Tanzania. We are very proud of this achievement; Praise God!

Now, we want to raise enough **sponsorship** on an ongoing basis to give each of **our children** a simple midday meal.

After books, this was rated the second **greatest need** on both the teachers' and the parents' priority surveys.

Many of our poorer children only eat once a day, but we can offer a nutritious **meal every day** for only **£5 per month** for each child.

This is an ambitious project – we need to raise over **£2000 every month** to feed the children we have at present.

School meals in Tanzania make a big **difference** to children's **performance** and **attendance** levels and we believe they deserve the best start we can offer them.

We won't promise you a photo of your child, or individual letters from them each month – but we will promise that **all the money** you give will be used **directly** in the Kisasa programme and local people will be paid to prepare and serve the meals.

Some of the funds will be set aside to set up a smallholding on the school site so they can **grow their own** food. One day we'd like to see that the programme will be **self sufficient**.

Please fill in the form today and tell us if you will **sponsor** one or more **children** each month.
